

Round corner плагинінің дұрыс істемеу себебі, бұл плагин дөңгелекпен қиылысатын фигуралардың плагині болғандықтан, мұны бағдарлама ішінде дұрыс орнатылмаған болып шықты. Сол үшін мен плагинді осы бағдарлама папкасына салып, содан кейін барып орнаттым. Орнатқан кезімде плагин дұрыс жұмыс істеп, ешқандай кедергі болған жоқ.

5 - сурет. Сауда орталығы үлгісі

Сонымен, SketchUp программасының мүмкіндіктері және SketchUp ортасында сауда орталығының 3D модельдерін құру тәсілдері қарастырылды. SketchUp көмегімен 3D-модельді көрнекі демонстрациялауға және құруға, күрделі кеңістік концепцияларын жеңіл құруға болады. Жоспарлаушылар және жобалаушылар SketchUp шынайы уақытта жұмыс құралы ретінде қолданады. Өзгерістер енгізу мен түрлі варианттарды қарастыру мүмкіндігі уақытты үнемдеуге, жұмысты максималды өнімді етуде жобалау сапасын жоғарылатады.

**“USTAZ” STORE**

**Description:** The USTAZ Store is a specialised retail concept designed to cater to the unique needs and preferences of teachers. It offers a curated selection of products and services tailored to enhance the professional and personal lives of educators. From classroom supplies to professional development resources, the store aims to be a one-stop destination for teachers looking to enrich their teaching experience and improve student outcomes. **Relevance:** The USTAZ Store addresses a crucial gap in the market by providing a dedicated space for teachers to find high-quality, educational products and services. As teaching methods and technologies evolve, teachers require access to innovative tools and resources to stay ahead. The store's focus on teacher-specific needs ensures that educators can easily find relevant and practical solutions to enhance their teaching practice. **Novelty:** Unlike traditional retail stores, the USTAZ Store is designed to be more than just a place to purchase goods. It serves as a community hub where teachers can connect, collaborate, and share ideas. The store's layout and amenities are carefully designed to create a welcoming and inspiring environment, fostering a sense of belonging among educators. **Significance:** The USTAZ Store has the potential to significantly impact the teaching profession by empowering teachers with the tools and resources they need to excel. By supporting teachers in their professional development, the store ultimately benefits students by improving the quality of education they receive. **Prospects of Use:** The USTAZ Store has the potential to expand beyond a physical retail space to include online platforms and mobile apps, making its offerings accessible to teachers worldwide. Additionally, partnerships with educational institutions and organisations can help promote the store and its mission, further solidifying its role as a valuable resource for teachers.

1. **Market Analysis:-** The online market for teacher-specific products and services is rapidly growing, driven by the increasing adoption of e-learning and remote teaching technologies.- The USTAZ Store aims to capitalise on this trend by offering a wide range of products and services tailored to meet the needs of teachers in the digital age. 2. **Target Audience:-** The target audience for the USTAZ Store includes teachers who prefer the convenience and flexibility of online shopping, as well as those who may not have access to traditional brick-and-mortar stores.- These teachers are likely to be early adopters of technology and value the ability to shop for educational resources from the comfort of

their homes or classrooms. 3. Product Range:- The USTAZ Store's online platform will offer a comprehensive range of products and services, including digital downloads, e-books, online courses, and educational apps.- The store will also feature a selection of physical products, such as classroom supplies, teaching aids, and professional development resources, that can be shipped directly to customers. 4. Innovative Features:- One of the key innovative features of the USTAZ Store's online platform is its personalised recommendation engine, which uses machine learning algorithms to suggest products based on teachers' preferences and past purchases.- The platform will also offer interactive features, such as virtual classroom tours and live product demonstrations, to enhance the shopping experience. 5. Customer Experience:- The USTAZ Store's online platform will be designed to provide a seamless and user-friendly experience for teachers, with intuitive navigation, secure payment options, and responsive customer support.- Customer feedback and reviews will be prominently featured on the platform to help teachers make informed purchasing decisions. 6. Sustainability and Social Responsibility:- The USTAZ Store is committed to sustainability and social responsibility, sourcing products from eco-friendly suppliers and supporting initiatives that benefit teachers and students.- The store will also donate a portion of its profits to educational charities and organisations that support teachers in need. 7. Marketing and Promotion:- Marketing strategies for the USTAZ Store will include targeted online advertising campaigns, social media promotions, and partnerships with educational influencers and bloggers.- The store will also leverage search engine optimization (SEO) techniques to increase its visibility and attract more traffic to its website. 8. Financial Projections:- Financial projections for the USTAZ Store's online platform indicate strong growth in revenue over the first three years of operation, driven by an increase in online sales and customer retention.- The platform's profitability is expected to increase as it scales its operations and expands its product range to meet the growing demand from teachers. 9. Expansion Plans:- Expansion plans for the USTAZ Store include enhancing its online platform with new features and functionalities, such as mobile shopping apps and virtual reality (VR) shopping experiences.- The store also plans to expand its reach to new markets by partnering with educational institutions and organisations to promote its products and services.

Conclusion The “USTAZ” Store represents an innovative and impactful concept that has the potential to revolutionise the way teachers access resources and support. Its relevance, novelty, significance, and prospects of use make it a compelling project for the design competition:- The “USTAZ” Store's online platform represents a innovative and impactful concept that has the potential to revolutionise the way teachers access resources and support.- Its focus on providing a personalised and user-friendly shopping experience, coupled with its commitment to sustainability and social responsibility, make it a compelling project for the design competition. The “USTAZ” Store's online platform represents a groundbreaking approach to meeting the needs of teachers in the digital age. By offering a comprehensive range of products and services tailored to teachers' needs, the store aims to revolutionise the way educators access resources and support. The store's commitment to sustainability and social responsibility sets it apart from traditional online retailers, demonstrating a genuine concern for the well-being of teachers and the environment. Through partnerships with eco-friendly suppliers and donations to educational charities, the “USTAZ” Store is making a positive impact on both the teaching profession and the wider community. In addition, the store's innovative features, such as personalised recommendations and interactive shopping experiences, enhance the overall customer experience, making it easier and more enjoyable for teachers to find the products they need. Overall, the “USTAZ” Store's online platform is poised to become a leading destination for teachers seeking high-quality, educational products and services. Its relevance, novelty, significance, and prospects of use make it a compelling project for the design competition, with the potential to transform the teaching profession for the better
